KEY ACHIEVEMENTS

- Founding President, BSAMUA - Massey University, Auckland:** Was elected to establish the Bangladeshi Student Association at Massey University. This was an initiative to build a cultural support network that fosters connection, inclusion, and engagement for Bengali students on campus.
- Deci-Matrix segmentation model - NZ Safety Blackwoods, Auckland:** Co-developed a Deci-Matrix segmentation model as part of an action Learning Project for NZ Safety Blackwoods. Led idea design, content development, and the executive presentation that identified a \$500K+ annual revenue opportunity and secured leadership buy-in for rollout.
- Led large-scale enterprise transformation, including CRM 360, Omnichannel Ticketing consolidation, and Self-Service enhancement;** driving requirements elicitation, stakeholder engagement, and process analysis that delivered a 60% reduction in process steps, 62% cost savings through system consolidation, and self-service adoption growth from 55% to 80% across 80M+ users.

EDUCATION

Master of Business Administration (MBA) — Global Business

Oct 2024 – Oct 2025

Massey University, Auckland - Completed with Merit Distinction

PROFESSIONAL EXPERIENCE

Business Analyst

Dec 2025 – Present

WeSmile Ltd. | Auckland, New Zealand

- Elicited requirements through stakeholder workshops and translated business needs into user stories and acceptance criteria for the MyUniClub website version 2.0 redesign.

- Designed and implemented a task management framework for a 15+ member team, improving prioritisation and delivery efficiency by 15–20%.
- Identified multiple revenue streams via detailed analysis and produced a monetisation framework that became the foundation of the platform's commercial strategy.

Business Analyst

Dec 2023 – Oct 2024

Studio Dev Hub | Dhaka, Bangladesh

- Facilitated sprint planning and backlog refinement across multiple MVP projects, improving sprint completion from 75% to 88% and reducing release timelines by 30%.
- Boosted resource utilisation from 70% to 82% through backlog prioritisation and clearly defined acceptance criteria.
- Lowered post-launch defects by 42% (12 to 7 per project) by designing UAT frameworks and enforcing requirements traceability.

Customer System Management & Project Specialist

May 2020 – Oct 2023

Grameenphone Ltd. (Telenor Group - Bangladesh's largest Telco 80M+ customers) | Dhaka, Bangladesh

- Lessened system incidents by 50% (82 to 41) by restructuring SLA & monitoring across 3 vendors and 2 call centre partners.
- Drove IVR self-service adoption from 55% to 80% across 80M+ customers via As-Is/To-Be analysis, surfacing 5+ friction points, and defining change requirements.
- Led analysis and prioritisation of platform reliability initiatives, reducing monthly downtime by 67% and supporting 99.9% availability across customer-facing call centre systems.

Business Analyst

Nov 2017 – Apr 2020

Grameenphone Ltd. (Telenor Group) | Dhaka, Bangladesh

- Elicited requirements, facilitated workshops, and coordinated 2,000+ UAT test cases to implement the CRM 360 platform that helped to reduce 60% process steps.
- Translated access control requirements into a role-based access model for 3,000+ users, reducing provisioning time by 80% and achieving 100% compliance.
- Guided end-to-end optimisation of Charging Inquiry Tool (CIT) for 3,000+ agents by analysing query patterns, gathering agent feedback, and redesigning UI workflows, improving handling speed by 17% (60s → 50s) with zero post-release defects.

Senior Executive (Business Analyst duties)

Mar 2013 – Oct 2017

Grameenphone Ltd. (Telenor Group) | Dhaka, Bangladesh

- Monitored real-time performance of customer service systems handling 100K+ daily interactions, reducing alert response time from 15 min to 8 min (47% faster).
- Identified SLA bottlenecks across teams and coordinated process improvements with stakeholders, increasing SLA adherence from 85% to 93%.
- Designed and organised structured training materials based on agent workflow gaps, enabling the onboarding of 470+ new agents.

LEADERSHIP & COMMUNITY

President - Bangladeshi Student Association, Massey University, Auckland

Mar 2025 – Present

- Scaled membership from 6 to 85+ members and hosted 4 cultural events, attracting 100+ attendees.
- Directed a volunteer committee of 8, achieving 100% on-time event delivery through structured coordination.
